Timberlake Parents and Community,

Timberlake Public Schools would like feedback from its parents and other stakeholders on the use of the ACT as the state assessment for all 2020-2021 Juniors, as well as the ACT Aspire benchmark program.

Our school district plans to administer the ACT® test in spring 2021 to eligible juniors as part of the state contract with the Oklahoma State Department of Education and ACT.

Last year over 95% of Oklahoma schools selected to administer the ACT. Our district believes this is an excellent opportunity for all eligible juniors to take the ACT at no cost to them or their families.

Additional information on why we chose the ACT can be found at: [8 Reasons to Choose the ACT Test](#)
