This past week many of us gathered together with family to celebrate Thanksgiving. Unlike many other holidays, Thanksgiving has not been as commercialized as others. Black Friday has become its own "holiday", but luckily Thanksgiving has been left alone for the most part. Thanksgiving has remained exactly what its name means, a time to give thanks.

In today's world and society, it is often easy to forget to stop and be thankful. We are constantly on the go, constantly looking ahead to what is next. Living at this hectic pace makes us forget about all the things that we should stop and be thankful for.

All of this got me thinking about what Timberlake JH/HS has to be thankful for this year. While a few things instantly came to mind, many others have come and gone with little to no recognition. Our football team just completed an amazing season with a record of 10-3 and an appearance in the Class C State Semifinals. That team included multiple All-District players and Class C All-Stars. Our FFA Chapter attended their national convention where they were up for a national award. Although they did not bring that award home, they represented themselves and our school very well. Our FCCLA Chapter sent a state officer to their national convention where again, Timberlake was represented on a national level. Our softball team won a District championship and had a player selected to the All Northwest Region team. Miss Timberlake was selected as the 3rd runner-up at the Miss Cinderella Pageant. And I am sure I have left some accomplishments out.

As you can see from the things listed above, Timberlake JH/HS has much to be thankful for. We have not only been represented well on a local and state level, but on a national level. As this year continues to fly by, be sure to stop from time to time to be thankful.

Important Dates

December 6 and 18

JH / HS Picture Day

December 19

1st Semester Ends

Sports and Clubs

Basketball (Home Games Only)

12-1 HS vs Kremlin-Hillsdale (HC)
